FERNLEAF STABLES CONGRATULATES

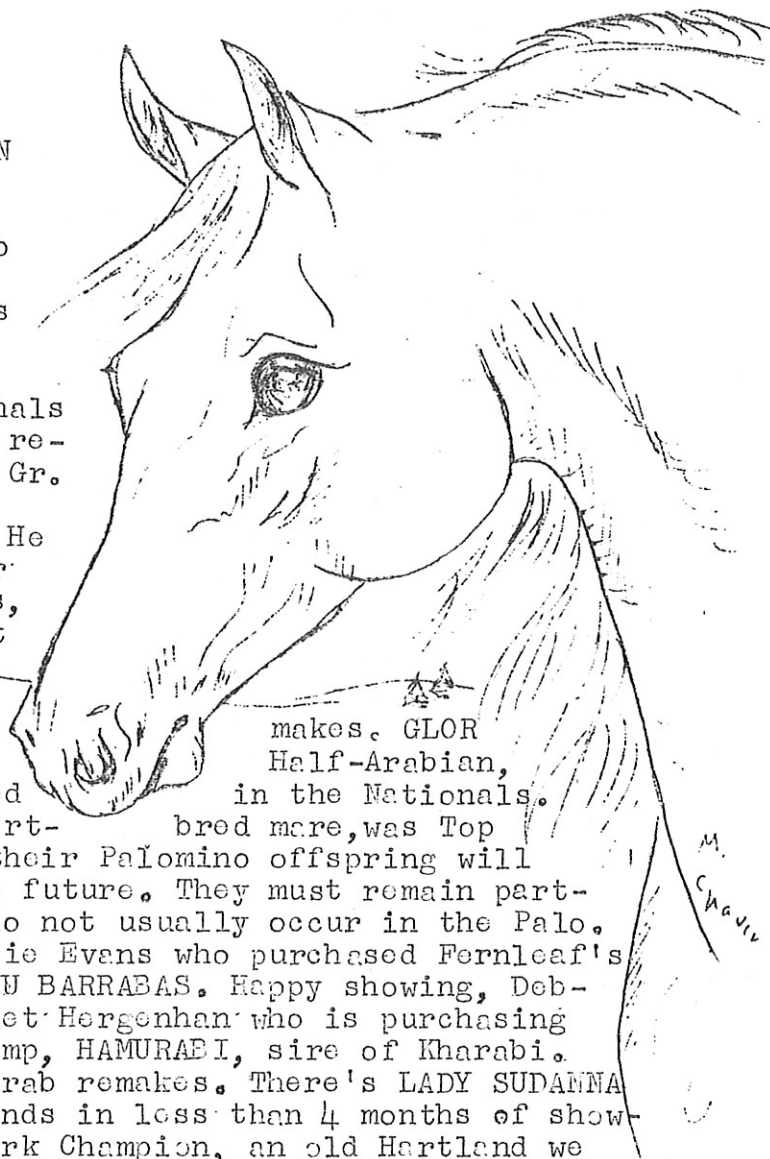

!!! KHARABI !!!

M.A.R.A. NATIONAL GRAND CHAMPION
OF 1976!!!

Kharabi is the Breyer Proud Arab stallion remade in the image of the Gladys Brown Edwards' famous painting of the ideal Arabian Horse. He was remade in October just in time for the MARA Regionals where he was Grand Champ of his region. He went on to be National Gr. Champion & has added a few more feathers to his cap since then. He will continue his showing career in '77. Due to the many requests, we'd like to add, Kharabi is not for sale.

FERNLEAF STABLES would like to congratulate its other re-IBN GHALAN, our young Palomino was MARA Res. High Point Partbred SAHARA GOLDEN RAFFA, Palomino Part-Ten in the Nationals. A few of their Palomino offspring will be for sale from Fernleaf in the future. They must remain part-breds as in real life Arabians do not usually occur in the Palo. color....CONGRATULATIONS to Debbie Evans who purchased Fernleaf's multi-Grand Champion stallion ABU BARRABAS. Happy showing, Debbie! CONGRATULATIONS also to Janet Hergenhan who is purchasing Fernleaf's other multi-Grand Champ, HAMURABI, sire of Kharabi.

We are also proud of our non-Arab remakes. There's LADY SUDANNA our Appaloosa mare who won 2 Grands in less than 4 months of showing, & NORTHSTAR D'ARGENT our Park Champion, an old Hartland we picked up in a flea market for \$2 (What a Find!), and repainted daaple grey. Then there's LASS O'DONNEGAL, a heat remade model who was 'ruined' & thrown away, who revived on Fernleaf's workbench & went on to become a several times Pony Champion. And SEVEN SEAS, a broken Beswick who now has a real hair tail, braided like a hunter, who's won several Hunter Champs in her short career. Then there's the Anglo-Arab BASYR, Top Ten in the MARA Regionals...Watch for Fernleaf's newest remake, FIREBIRD, remade as a dressage horse especially, & is correctly flexed to be 'on the bit' as she lightly moves thru the difficult advanced movements, the 'Piaffe' & 'Passage'. Her mane/forelock are braided for dressage competition. She has a special saddle with the USET emblem on its pad!..LASS O'DONNEGAL, BASRY & a few others are for sale. Write for our list. Maia Chavez, 370 John Joy Rd., Woodstock, N.York 12498.

===== HISTORIC HAGEN-RENAKERS Marlene Kosanke, 8123 W. Margaret Ln., Franklin, WI 53132. Since no one wrote this time I'll tell you about 1 of my horses. He is the Designer's (3) Workshop B-673 Wild Horse 'Don Cortez' in jet black with tri-colored eyes. The horse is standing with head high & left foreleg up high as if about ready to roar. Don Cortez was made from 1956 to 1959. Besides black, he was also made in Palomino, brown & white & originally sold for \$4. Two other 'Wild Horses' were also made in the same colors, 'King Cortez' (rearing) & 'Sun Cortez' (turning). These Cortez Horses are full of spirit & extremely well-done. (Ed. I agree! My turning model is sort of a roan really, being black/brown with white on him faded into these colors. The action is really something & most unusual for a model ceramic horse!)
