## HAVEN HILL FARM ANNOUNCES ITS 3rd ANNIVERSARY IN SHOWING

June marks our 3rd Anniversary in showing so I decided to splurge alittle & tell you what's been happening around here the past year. We're the home of 3 Divisions: ACT I ARABS, CON-TEN BLEU TB'S & DARE ACRE HUNTERS. SPLASHDOWN APPS has been sold & closed down.

The past year we strived to expand our divisions & now have many new faces here at the stables & are beginning their show careers.

ACT I ARABS: Member os MARA, this year in the Nationals we took many awards. Our head Egyptian stallion; \*THE EGYPTIAN SHIEK, took 3rd in Top Ten Jr.Showmanship Hal. stallions, Top Ten Jr.Versa.Stakes & Natl. Ch. Jr. Showmanship in Eng. Other Event. We're very proud, especially since he's an original fin. Breyer! He also won many top tens in the Regional shows, and his son SHIEK'S SHADON also won a Top Ten for Purebred Goldings & 2 Regional Res. Ch. Titles in halter. Our other stallion, SURF, won 3rd TT Jr.Showman. EP & Res.Natl. Champ Stockhorse. In the Regins. he was Reg.Champ EP Stallion! Talk about a versatile American-bred! We love him!

CON-TEN BLEU TB'S: Had a very good year w/\*RAPID TRANSIT taking Res.Ch. Grand in his last racemeet. \*FRENCH CREAM chalked up 8 more wins & another Racing Gr.Ch. We've purchased many new racers for our string & at this time new TB foals are being born. Our top broodmares & studs, \*Rapid Transit, Warfare & \*CB's Key To The Mint are still producing tip top foals. Our \*F.C. got STAR 1976 Hi.Pt. Racer w/Mass Transit picking up Res. D-DAY, our chest. geld., won Hi.Pt. Steeplechaser!

DARE ACRE HUNTERS: Our most successful div.this year! Member of MHSA & were on their circuit for about 9 mos. & have won many Ch/Res. plus 1 Grand won by our pony stal. CHANCE IT! In the '76 Hi.Pt. tallies, we held quite a few places. We won Res.Hi-Pt. Stable, Res. Ht.Pt.Hunter (Spots Galore), Top 3 Hunter (Bam Bam). Also adorned by Dare Acre was Res. Hi.Pt. Jumper (\*Miss Heather B, 27 yr. TB still going strong). She will retire in Aug., & her son NEVER SAY DIE took a spot in top 3 Jumper. Needless to say I'm VERY PROUD!

The past year we've been VERY busy. Lots of people have requested breedings to our models, s/d lists, for sale lists, etc. and we apologize for being late sometimes in answering. Now what about our 4th year in model showing? Well, for starters were beginning a new hunter/jumper club that has been in the planning for over a year. We still plan on expanding & even open a new pony division! Our 1977 s/d list is available so send a SASE for it. Send us your s/d lists & for sale lists. Thanks for reading & HAPPY SHOWING! Kim Van Rensselaer, 18230 Blanchmont, Houston, TX 77056

I no longer have time to spend w/my models so am selling all but a very few favorites who will retire to my barn for the rest of their days. I want to thank publicly all friends & faithful customers w/whom I've done business over the past 7 years. I'll work out time payments on individual basis. All sold 1st-come, 1st-served basis. Any order o/\$25 paying cash gets extra 20% discount & any order o/\$50 gets 15% discount. Include postage/ins. of \$1.50 adults, \$1 foals. Satisfaction guaranteed! Include SASE. - THIS MONTH, EL NIDO DEL ZOPILOTE STABLES would like to  
INTRODUCE a great mare, TASTER'S CHOICE!!!

In her early years she belonged to the herd of Mexican Hat stallion SAN DOMINGO, right here on the So. Calif. border. But without rain for so long, the herd dwindled & were caught & sold. We were fortunate enough to purchase T.C., plus 3 others. At first they were WILD, but thru time, patience, they have become the leading horses of our stable. T.C. for the few years we've had her has produced Champion after Champion. Her latest, though unshown, is SURDI'S CHOICE, the son of \*SURDI. Believe me, this foal has spirit! Now YOU can have a bit of this wild blood in your stable, by simply breeding to T.C. who is free this month. She is 9 yrs. old, bay grazing mare, who recently, believe it or not, won a local Conformation Mare Championship Award. Breed the best! Maile Knudson, Box 22-A, Star RT., Potrero, Ca. 92063. Thank you....

INFORMATION PLEASE Jan Snyder, 9090 Caselman Rd., Sacramento, Ca. 95828

Last issue we started talking about DRESSAGE. This time we continue w/ the proper tack. The Dressage saddle is close to the huntseat sad. in design, only it has little or no knee roll & is sometimes cut back a bit into the panel. The stirrups are worn long allowing for hardly any bending of the rider's leg. Up thru the 2nd level of Dressage, only a plain snaffle bridle with or without dropped noseband is used. In the higher levels a full or double 2reined bridle is used, or a long-shanked pelham. In model tack it is usually hard to distinguish between full bridles or pelhams, so all bridles with 2 reins should be allowed in the classes. Breastplates, martingales & side reins are not allowed... Those who wrote in that judge model dressage suggested to me that when entering the model, the shower should attempt to write down what the model is doing, such as circling at canter, piaffe, etc. Once again, thanks for the tremendous response. (Ed. We ALL learned something here. Thanks too for me!)

FOR SALE! Brey. Fam. Arab stal. rep. buck, rem. tail out more, lifted leg tucked in. \$7 & postage. Heidi Bright, 13 Fleetwood, Winfield, KA 67156/
