 Welcome once again to the Morgan world! Instead of history this time we'll feature some models since many folks have written in. SEAELECT OF WINDCREST (Pecos x Janec) is a 6 yr. seal brown stal. made in the image of the real horse, owned by Toni Poklembo. Toni also owns PROUD LADY (Vigilmarch x Lippit Sally Moro) a 10 yo Pale. mare who does especially well in halter... Karen Williams owns STAR'S FIRE CRYSTAL (Black Sabbat x The Omen) & STARWIND'S FOREVER LOVELY. Both are mares w/Crystal being a 6 yr. blood bay & already a Grand Champ. Lovely is now a golden chestnut remade running--once the fighting stal.! The work was done by Karen herself! As soon as she gets her pix, watch out! Thanks for reading & writing in, all. THINK MORGANS! (This column hopefully will appear in these issues: Feb-March, May, June, Aug, Sept, Nov, Dec. But in the case of all columns, it will be bumped due to ads needing space.)

A few times it happens, can't be helped, but please try always to send stamps. Now, showholders, many times the showers leave the return address space open so that you can fill it in so they'll know which entries are back in & from whom.
