# Sahara Silver Halima

(Amarna Ibn Halima x \*Nahlah+-real)

1969 Egyptian Arabian stal., Haðban Enzahai Strain; Brøy. PA stal. rep/rem silver dáp. grey, wh. hair m/t by Sherry McDonald.

SILVER HALIMA is truly a stallion who exemplifies the qualities found in the precious blood of the Egyptian Arab. He is naturally correct, typey, elegant & totally refuned, making his ability to

produce the true Classic Arabian only 1 of the reasons for our endless faith in him. He's consistently dominant in siring foals stamped w/his sheer elegance & flawless pedigree. It's obvious a horse of such prepotent blood will 1 day soon share in the excitement of becoming a showring success, as well as a popular sire. Already he is winning large classes against top-quality, proven models...Halima has bred several fine Egyptian mares to produce his 1st foal crop. The best have resulted by matching HALIMA to our straight Egyptian mare, \*ALAA MONIETA, whose 1st foal by SILVER was Ch.Filly 1st time out! This lovely filly, EOWYN EVENSTAR, has certainly helped her sire take a giant step forward to proce his sire-ability! Others by HALIMA include SHAR IBN HALIMA, HI'ALLA ENSA, H'A ROANAKA & H'A

RUBY DOLL. All are gifted w/faultless conformation & have much sought-after finely chiselled heads found in the desert Arabians. SAHARA inspired our Egyptian breeding program so much in such a little time I feel he should be given an opportunity to sire quality foals out of mares of all breeds. Pic inspection of foal req., returned promptly. Inquire & see for yourself about this tremendous stallion--he'll surprise you at foaling time. STUD FEE: 25¢.
