It's BACK TO SCHOOL for...

Photos by Ecami !!!

Time again to put aside my camera in favor of an armload of books, costing almost as much! PHOTOS BY ECAMI is closed again this year until May 1978 due to my college schedule, but we'll re-open for the summer then so watch for our ads early spring & I'll start taking appointments once more in March 1978. However, I will be 'open' to inquiries or questions all winter long, so if you'd like to see a sample pic (25¢ deposit, refunded upon pic return), or look at an info sheet w/prices & further information, please send business-sized SASE to me. I'm happy to send them to you!..I'd like to thank all the wonderful people who made the summer of '77 a SUPER one for us. Over 50 models (horses & dogs) spent a part of their vacations w/us, & almost 200 pix were taken! What I'm really thankful for though were all the nice compliments & comments given on my work. Thank you! They really brightened my days for me, moreso than the summer sun ever could. It was also very nice to 'meet' some more of my fellow showers & feel very lucky (I'd rather call them 'friends!'). I was also very impressed w/the trust shown in me by sending your obviously highly valued models for my photography. Thank you again & I hope we can continue in the future, trying my best to take good 35mm pix of your models & giving the best care while they're here...In addition to doing work at home, 'Photos by Ecami' also took pix at the show during the 6th Midwest Model Horse Congress in Chicago. Thank you to those who had us photo their models, and congrats to Jean Hejmanowski of Steger, IL who won 5 free pix in the door prize drawings there. It was really nice to meet everyone & we're looking forward to seeing you all next year!..... So it's back to Bloomington for me & my camera will take a trip for some minor repairs & cleaning, to be ready for 1978. Remember, the actual pix operation is closed until May 1978 so please do not send your models to me over the winter. I'll NOT accept them. I will answer questions, etc. as described above however. If you spot an 'ecami' photo in the winner's circle of your next show, how about a few for yourself? Fine 35mm photography, coupled w/care, a wide variety of natural outdoor settings, & the efforts to take the best angle of your individual model makes a 'photo by ecami'. Thanks for reading. Thru May 1978: Liz Isham, Room 606, 1211 No. Main St., Bloomington, IL 61701 (please do NOT put 'pix by Ecami' in address, no get here). Home address: 1372 Woodside Dr., Freeport, IL 61032. Thank you. / PIX FOR SALE: bay run, mare instm. 3 hal, 1 EP w/ 2 sm. duplicates \$1.50; bay run, foal 1 hal 25¢; mare/foal of above 25¢; App Perf. Horse 2-35mm hal 35¢ each; glossy bay Fam. Arab mare 1 hal (29) showmanship 30¢. Michelle Eubank, 398 Indian Hills, Trail, Marietta, GA 30067. Thank you. BUY?
