UNUSUAL BREEDS c/o Bettye Brown FRIESIAN: One of the oldest breeds in

Europe this horse is a native of the Netherlands. Fossils of a heavy

horse dating to 3000 years ago were found in the same area, reconstructed

carefully--and found to be similar to the breed of today. It was a

thick-set, strong & heavy, the perfect mount for Medeval warfare. But

due to the popularity of racing the breed declined vastly until after

W.W.I there was only 334 registered stallions left! After the war a new

breed society formed ranks & gained considerable strength thru the years.

The horse stands about 15 hh & is an attractive, compact, muscular ani-

mal always JET BLACK in color, but a small bit of white is allowed on

the face. There are a very few showing these days in the model show realm

so here is a breed destined to become a good one for people seeking the

unusual in the classes. The hooves it must be added are rather blueish,

and the horse has considerable feathering & a profuse mane/tail. Think

FRIESIAN? He is both ridden, driven & used as an allaround animal.

GALLI'S COMET

The
Celestial

GALLI'S COMET? Yes,
that is our new Appaloosa
Foundation stallion for El Nido-
del Zopilote Stables. We are very
close to this stallion and thank Rebecca
Herwaldt for parting with him because we're
sure she'll miss him very much. GHALLI (Drum's
Royal Arts x Domino's Lady) is a 14 yr. old Breyer Adios rep. *
by RH a fantastic leopard color with rich chestnut spots, striped hooves
& an added white m/t. He truly represents his breed at the very finest.
His fee will start at 25¢ but after he has proven himself as a sire we
guarantee this fee will rise. The only stipulation is get. must be between
3-10 years old. While on the topic of Apps, let us introduce our current
leading 2 yr. old..AJAX! Well, his name might not say much but in only 2
shows he has won 1st-2, 3rd & Res.Champ Colt. His sire is Dervish who has
won the only 2 classes he's ever entered...The leading 3 yr. old isn't
an App but a Standardbred named DILLI MARKET. In only 2 shows of limited
classes he has won Judge's Choice, 1st-3, Champ Colt & many other placing
awards...A few of our latest additions include LaLINDY (Brey.bay PA mare)
a 6 yr. old daughter of our *Ferson. This is only an introduction before
she starts showing & mostly won't be bred..GOLDEN LEGACY, although rela-
tively new, already has a list of foals. He is the Brey. Palo. Arab mare
but hasn't parents yet--are looking. This 10 yr. old stal. stands at a
20¢ stud fee..MIDNIGHT BREEZE (Brey.Founda.Stal.) is our othet welcomed
addition. She carries on the 'midnight' lineage passed down from her
grandsire Midnight Parade (Midnight Magic x Webor). Watch for his other
foals which include SATIN PARADE, MIDNIGHT DEMON, AFTERNOON DELIGHT, &
JUBILEE. The fee for this outstanding 16 yr. old blk.Morgan stallion is
30¢ as he has well proven himself at the shows & with promising foals.
We would prefer if part of his name is used in the foal's although not
req...If additional info is required on any above, or if breedings are
requested, please write & enclose SASE. A stamped breeder's certificate
sent upon breeding approval of mare. Please include all info on m/f as
well as show/race record if any. Thanks to all who've responded to my o-
ther ads & those with whom I've corresponded. Think N-Z Stables when you
are looking for top quality, versatile horses. Thanks for reading. Bye!

WEIGHTED SHOES & TAIL SETS Tina English (got lots yet)

Alma Souza's favorite is COORS COMMANDER, a Breyer 5-Gaiter rep. silvery black roan w/flashy wh. markings & traditional blue ribbons. She was a gift from a friend who thinks model showing silly--boy, is she wrong! Next is SHOULDNA DUNNITT, a Pinto SB you should watch out for. She's 1 of the most realistically painted chestnut overos you'll ever see & a fine workmanship example. Her parents are real Pinto Horse Assoc. 1975 Champs, Gambler's Highland x ? Shouldna. She placed decently in her 1st show against stiff competition. Last but not least comes SONNET SUPREME, the mint cond. Palomino Breyer 5-Gaiter with perfectly white m/t. She has HIGH hopes for this beauty in the ring. All 3 horses are 5-gaiters & show in halter, park & fine harness. THINK AMERICAN SADDLEBREDS!

ATTENTION MODEL HORSE BREEDERS! Due to the recent addition of a DUPLICATING MACHINE, we no longer have to charge anything more than a business sized SASE for our new 1977 MUSIC CITY STABLES stud/services directory! 100 mares/stals. plus 4 donkeys! A separate LOUGH CORRIB CONNEMARA listing is available also for serious Conn. breeders for SASE. Patty Gray, 5416 Forest Acres Dr., Nashville, TN 37220. Think MUSIC CITY!!

INDIAN HILL FARM/AL MARAH ARABIAN STUD is PROUD TO PRESENT
TO YOU AT STUD FOR THE FIRST TIME TO OUTSIDE MARES...
The One & Only....

RAFFLES

A truly great stallion, his book is now open to outside mares & is the sire of our Arabian line (foundation sire) as well as the DOUBLE R. GOLDEN CROSS LINEBREEDING PROGRAM with the *Raffles & *Rissalix lines. (you may know this from previous ads.) He has sired 8 foals to date, all good quality Arabians & he has the ability to improve every mare to which he is bred. With even the most challenging genetically maré in no instance can I think of his throwing a real genetic fault. Not all 8 foals are what you'd call 'Classic' but *Raffles' prepotence is astounding, & the most significant test of his superiority as a breeding horse was his incredible ability to stand inbreeding. Bear in mind *Raffles himself is the product of a mare bred back to her own sire. Of his 8 offspring, 3 are stals. by him out of his own daughters, & 1 *Raffles daughter produced fillies sired by *Raffles. To further narrow the genetic pool from which we are harvesting ever-greater quality, the 8 foals were produced from a scant 2 mares. From this & studying his pedigree, it is easy to see 'why' *Raffles is such a truly great stallion:

SKOWRONEK (IBRAHIM x JASKOULKA)

*Raffles is the Breyer PA
alab. stallion remade &
partially repainted. His eyes are

*RAFFLES

RIFALA (SKOWRONEK X RISSLA)

tri-color & his nostrils are a delicate pink. He sires any color but blk & the color breeds. NO halfbreds. A pic is available upon request but it must be returned immediately after inspection. His 1977 fee is 25¢ & pic of foal for inspection. Pix returned promptly w/certif & 5-6 generation pedigree if accepted. Foal must be 5½ & under. Send following info on foal & dam: age, color, sex, dam's parents, pic of foal. NO SASE req., but please send 13¢ or stamp. *Raffles was imported from England where he was used to improve Welsh Ponies & was foaled at Selby Stud in Egypt in 1969..*Mutant: the result of a sudden marked deviation in inherited characteristics..If you want a good quality Arab, breed only to the best & the best are here at Al Marah. NOTICE TO ALL THOROUGHBRED LOVERS! In the beginning of this year I introduced the NEW YORK JOCKEY CLUB for model TB's. Now I have something to ask all you TB lovers out there...Would someone PLEASE help me with my club? I promised I'd not let this club die, so I'm asking someone to take it over. A number of things have come up & I can no longer run this club but I believe it can be super if someone will work with it. The pntkeeper remains Elizabeth Bernstein & I'll send you all info ob club, # of horses in it & the likes. I'm Looking for someone who'd run this club & is dedicated to improving the TB's status in the showing & racing TB Standards. Please help me? The Golden Hollow Stables will still be showing, & Golden Dream Stablemates workings is still going & growing strong. (One of my reps. SM's in a recent LIVE show in TB's w/43 horses took 4th.) Please help out? SASE is not necessary if inquiring about taking club but if asking about repaints do require SASE...Also have rules for a miniature model horse club, ask for info. No horses or the likes, just rules. I'll still be running the TB Record as it is not interfering too much...Must get a move on, but before I leave, thanks, Linda, for being a great lady for running the MHSJ & getting me started. And to my biggest friend of all, Mary Ellen Harmon who kept me showing when we had just about quit! Laura Rockmaker, 2 59 West 20th St., Deer Park, N.York 11729. Thanks & please help me?
